

GROW YOUR OWN DINNER!

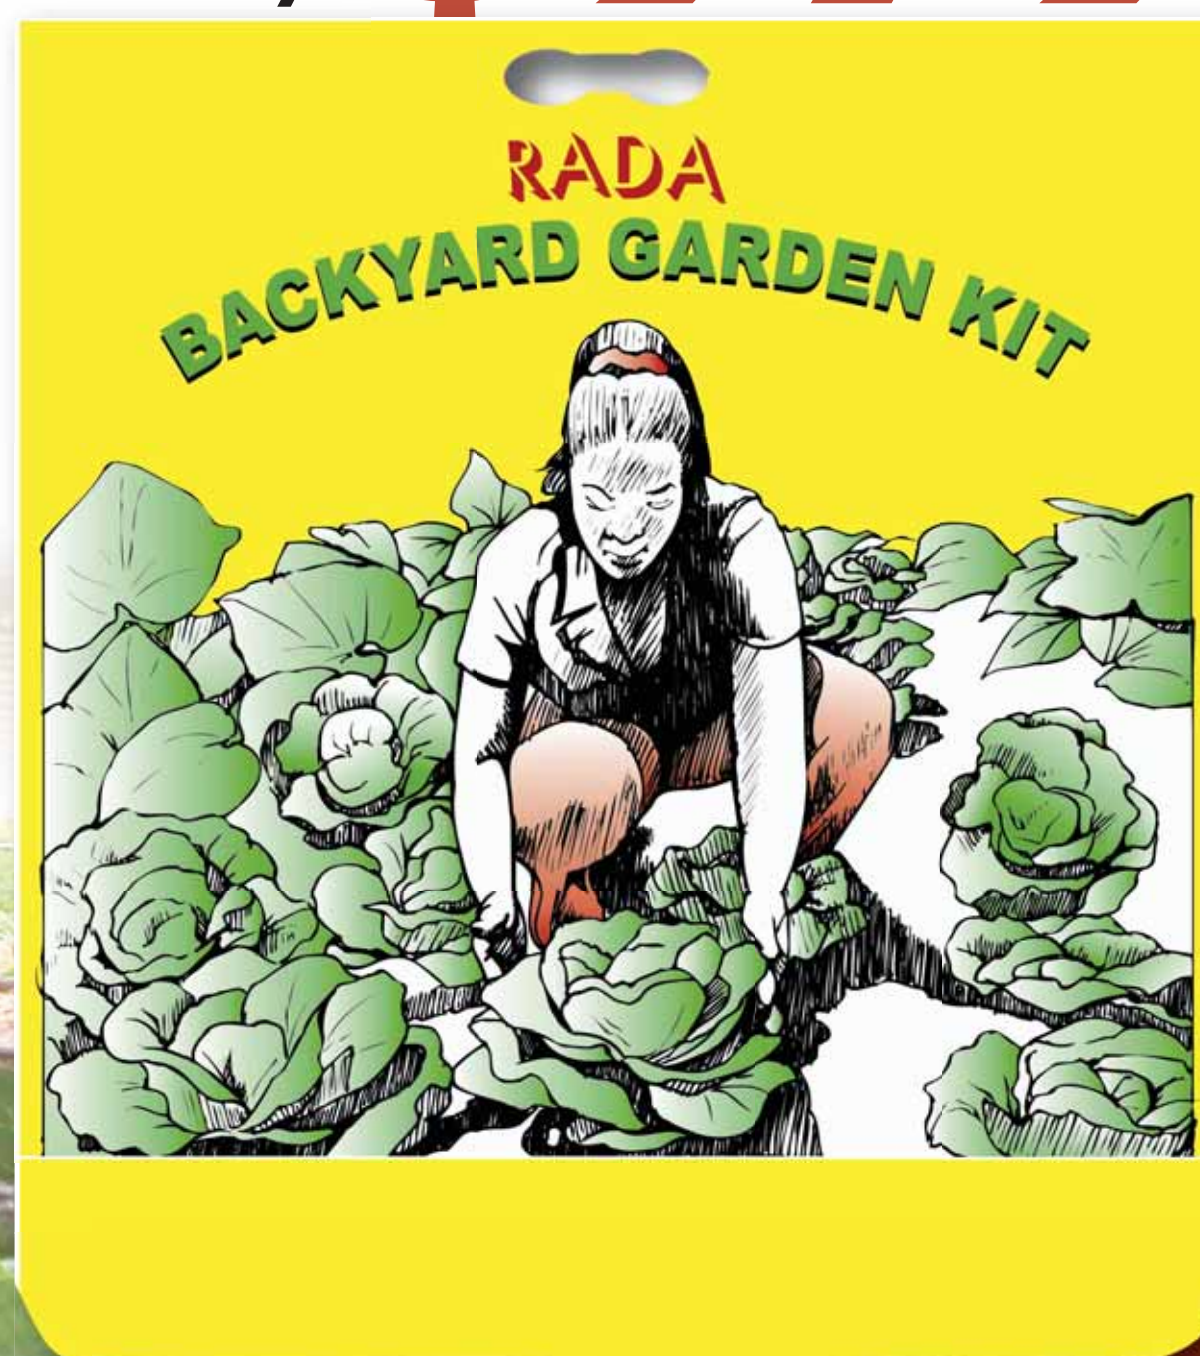

Plant your own Backyard Kitchen Garden and Enjoy the Savings!

Plant your own lettuce, callaloo, tomatoes, cabbage, carrots, pumpkin and all the veggies you need.

Why struggle with high prices? Plant your own kitchen garden in your backyard. You'll save money, with a steady supply of healthy vegetables for your table. So plant up your backyard. And your family will be eating out of your hand.

Plant up your backyard...Grow your own food.
